**AMENDED STATEMENT OF ISSUES AND DESIGNATION OF  
 RECORD ON APPEAL OF THE AD HOC COMMITTEE OF KENTON COUNTY  
 BONDHOLDERS FROM ORDER ENTERED BY THE BANKRUPTCY  
 COURT ON APRIL 24, 2007 [DOCKET NO. 5916]**

The Ad Hoc Committee of Kenton County Bondholders (the “Kenton County Bondholders Committee”), as holders (or investment advisors to holders) (collectively, the “Bondholders”) of the \$419,000,000 Kenton County Airport Board, Special Facilities Revenue Bonds, 1992 Series A (Delta Air Lines, Inc. Project) and the \$19,000,000 Kenton County Airport Board, Special Facilities Revenue Bonds, 1992 Series B (Delta Air Lines, Inc. Project) (collectively, the “Bonds”) issued pursuant to that certain trust indenture dated February 1, 1992 (the “Trust Indenture”), between Kenton County Airport Board, as issuer (“KCAB” or the

“Airport”), and Star Bank, N.A., as trustee (the “Trustee”),<sup>1</sup> and guaranteed by Delta Air Lines, Inc. (“Delta,” and together with its affiliated debtors and debtors in possession in the above-captioned chapter 11 cases, the “Debtors”) pursuant to that certain guaranty dated February 1, 1992 (the “Guaranty”), by and through its undersigned attorneys, pursuant to Rule 8006 of the Federal Rules of Bankruptcy Procedure, hereby submits its amended statement of the issues to be presented and designates the record on appeal to the United States District Court for the Southern District of New York with respect to the order of the United States Bankruptcy Court for the Southern District of New York (the “Order”), dated April 24, 2006 [Docket No. 5916], which grants the Debtors’ Motion Pursuant to Bankruptcy Rule 9019 and Bankruptcy Code Sections 105, 363 and 365 for Entry of an Order (I) Approving Settlement Agreement (the “Settlement Agreement”); (II) Approving the Rejection of Certain Agreements; and (III) Authorizing the Entry into Certain New Agreements [Docket No. 5050] (the “Settlement Motion”).

### **Issues to be Presented on Appeal**

1. Whether the Bankruptcy Court erred as a matter of fact and law in ruling that the Bondholders “are not going to receive 100% of the amount to which they are entitled under the Indenture” and that the “sole source of funding for the Bonds is the stream of rental payments under the Lease” when the Bankruptcy Court failed to address application of all future re-let proceeds (the “Re-Let Proceeds”) as required under the Lease and the Indenture to satisfy payment of the Bonds?
  
2. Whether the Bankruptcy Court erred as a matter of fact and law in ruling that the Bondholders and Trustee have no claim against the Trustee or the Airport, the issuer of the Bonds, when (i) the Indenture provides that the Airport has special limited obligations to the bondholders

---

<sup>1</sup> UMB Bank, N.A. (“UMB”) is successor trustee to Star Bank, N.A. (“Star Bank”). Except as otherwise indicated, all references to the Bond Trustee herein shall mean UMB.

and Trustee, including the obligations to re-let the Facilities after rejection of the Lease by Delta and apply all future Re-Let Proceeds to payment of the Bonds, and (ii) the Trustee and the Airport breached the Indenture by consenting to the termination of the Bonds, the Indenture, the Lease and the Guaranty pursuant to the Settlement Agreement without the prior consent of all Bondholders as expressly required by the Indenture?

3. Whether the Bankruptcy Court erred as a matter of law in ruling that all future payments under the Lease will terminate upon a rejection of the Lease by Delta under 11 U.S.C. § 365(a) when (i) rejection of the Lease by Delta does not terminate the Lease but only constitutes a prepetition breach of the Lease by Delta under 11 U.S.C. § 365(g), and (ii) the Re-Let Proceeds constitute future payments under the Lease to be used to pay the Bonds?

4. Whether the Bankruptcy Court erred as a matter of law in ruling that the Bondholders lacked standing to assert a claim against Delta under the Guaranty?

5. Whether the Bankruptcy Court's finding that the Settlement is in the best interests of the Bondholders is clearly erroneous when the Bankruptcy Court failed to address the Bondholders' rights to payment of future Re-Let Proceeds under the Lease and Indenture to satisfy the Bonds?

6. Whether the Bankruptcy Court's finding that the Bondholders voted to accept the Settlement as part of the Plan is clearly erroneous when (i) there is no evidence in the record on appeal regarding Bondholder voting on the Plan, (ii) Delta and the Trustee admitted that Bondholders were not asked to approve the Settlement in connection with voting on the Plan, and (iii) the approved Disclosure Statement in connection with the Plan, which preceded the Settlement Agreement, does not contain the terms of the Settlement?

7. Whether the Bankruptcy Court erred as a matter of law in ruling that the Indenture did not require unanimous consent of the Bondholders to the terms of the Settlement despite the

express unanimous consent requirements in the Indenture for (i) impairment of payment of principal and interest due under the Bonds in Section 9.06, (ii) alteration of payments due under the Lease in Section 12.06, and (iii) alteration of the Guaranty in Sections 12.06 and 12.03?

8. Whether the Bankruptcy Court erred as a matter of law in ruling that Sections 12.03, 12.06 and 12.07 of the Indenture are “simply irrelevant” despite that such sections expressly prohibit the Airport and the Trustee from consenting to any “alteration” of the Lease and the Guaranty without the written consent of the Bondholders?

9. Whether the Bankruptcy Court erred as a matter of law in ruling that Article IX of the Indenture creates an ambiguity with Section 9.06’s unanimous consent requirements for impairment of principal and interest due under the Bonds given that Section 9.06 expressly provides that its requirements are “[n]otwithstanding any other provision of this Indenture”?

10. Whether the Bankruptcy Court erred as a matter of law in ruling that Section 9.06 of the Indenture is rendered “moot” in a default situation notwithstanding that such section appears in the “Defaults and Remedies” Article of the Indenture and is intended to protect individual rights of Bondholders in a default situation?

11. Whether the Bankruptcy Court erred as a matter of law in ruling that Sections 9.01, 9.02, 9.04, 9.05 and 9.07 of the Indenture permit the Trustee to bind all Bondholders to the Settlement without their consent notwithstanding that (i) the Settlement terminates the Bonds, the Indenture, the Lease and the Guaranty and (ii) Sections 9.06, 12.03, 12.06 and 12.07 expressly require unanimous consent of each Bondholder to allow such actions?

12. Whether the Bankruptcy Court erred as a matter of law in ruling that the Trustee’s power to commence remedial proceedings upon default under the Indenture includes the Trustee’s power to settle and bind all Bondholders to such settlement notwithstanding the

express requirements of unanimous consent of all Bondholders to actions covered by Sections 9.06, 12.03, 12.06 and 12.07?

13. Whether the Bankruptcy Court erred as a matter of law in ruling that it had subject matter jurisdiction to grant all of the relief requested in the Settlement Motion?

14. Whether the Bankruptcy Court erred as a matter of law in approving the Settlement notwithstanding (i) the Bankruptcy Court had no legal authority for granting the relief requested, (ii) such relief fails to satisfy the standards applicable for such relief in the Second Circuit, (iii) such relief violates the Anti-Injunction Act, 28 U.S.C. § 2283, and (iv) such relief was granted in violation of Appellants' substantive and procedural due process rights?

15. Whether the Bankruptcy Court erred in approving releases of those Bondholders which directed the Trustee and the Airport to act in violation of the Indenture?

16. Whether the Bankruptcy Court erred as a matter of law in ruling that the Settlement does not constitute an illegal *sub rosa* chapter 11 plan?

17. Whether the Bankruptcy Court's finding that the Bondholders received "substantial consideration" from the Trustee, the Airport and all other Bondholders in exchange for the non-consensual third party releases in the Settlement is clearly erroneous?
